Compétances

Friendliness and positive attitude

Teamwork and collaboration

Computer skills

Supervision and leadership

Problem-Solving

Microsoft Office

Antécédents professionnels

2024-08 - Current **Master of Technologies : COMPUTER SCIENCE ENGINEER**
Invertis University, New Delhi, India

2021-10 - 2024-07 **Bachelor's Degree in Computer Science**
Institut Ivoirien De Technologie, Grand-Bassam, Ivory Coast

- Excellent communication skills, both oral and written.
Autonomous, with strong sense of personal responsibility.
I learned during these three years: robotics with Arduino, web and mobile development, data processing such as web-scraping, image processing with Photoshop and many other things.
I also learned personal development and leadership

- 2023-07 - 2023-10

Training Seminar

Huawei, Abidjan, Ivory Coast

- General information on the most used technologies nowadays, namely: 5G, Cloud Computing, ...

Some notions of Chinese culture.

Global competition on various themes supervised by international trainers (From China and other countries)
- 2023-07 - 2023-09

Software Development Engineer

Ebenyx Technology , Abidjan-plateau

- Worked closely with clients to gather requirements and translate them into technical specifications for implementation.

I continually updated skills through training courses, workshops, and self-paced courses to stay current with industry trends and emerging technologies.

I solved complex software problems, leading to more stable product release.

I collaborated with cross-functional teams to ensure seamless integration of new features.

Education

- 2024-01 - 2024-08

Bachelor of Science: Genie Logiciel

Institut Ivoirien De Technologies - Grand-Bassam, Ivory Coast
